**A supporting activity for the informational text,
*R is for Rosie the Riveter***

The printable sheets in this packet, in three levels of difficulty, are all about life on the World War II home front, those remarkable working women who collectively became known as “Rosie the Riveter,” and the non-traditional jobs they filled.

The sheets can be used as stand-alone activities, but they will be most effective when coordinated with the nonfiction A-Z picture book, *R is for Rosie the Riveter*, by Frances Tunnell Carter and Nell Carter Branum, which can be ordered through Amazon. Meet Rosie the Riveter from A to Z!
